GLUTEN FREE MENU

Welcome to Kingfishers. We are committed to providing all guests with a positive dining experience, including those with food allergies and sensitivities. However, we cannot ensure gluten contamination will never occur.

If you are Celiac or have a high sensitivity to gluten, please be advised that while we take every precaution to prepare your gluten-free meal, there is always a small risk of gluten in the air or on adjacent work surfaces that may contaminate your food.

When ordering from this menu, please be sure to mention your allergy, sensitivity, or dietary restriction to your server.

Please note the following :

GLUTEN FREE

These items do not contain any gluten in our recipes. They are not prepared with any cooking surface or oils that have previously prepared any ingredients containing gluten

GLUTEN FRIENDLY

"may contain gluten". These items do not have gluten in any of the ingredients, however may come into contact with cooking surfaces or oils that have previously cooked items containing gluten

Pure, Simple, Local

Our philosophy is simple:
Fresh, local ingredients prepared in-house with care and skill. At Kingfishers, we commit to this in everything we do, including vegetables and herbs right from our own garden.
Dive into a menu designed to showcase the best our local suppliers, farms and waters have to offer.

**** General Disclaimer:**
The consumption of raw oysters poses an increased risk of foodborne illness
